## Indian government frees e-carts and e-rickshaws from permit requirements

The Ministry of Road Transport and Highways has issued a gazette notification stating that e-carts and e-rickshaws are free from permit requirements. As per the notification, the provisions of the sub-section (1) of section 66 of the Motor Vehicles Act, 1988, will not apply to e-carts and e-rickshaws (as defined in section 2A of the said act,) that are used for carrying goods or passengers with personal luggage. This implies that e-carts and e-vehicles do not need to obtain any government permit to be deemed road legal. However, the...

## **FIND THE BEST E-RICKSHAW MANUFACTURERS IN DELHI**

**E-Rickshaw Manufacturers in Delhi are many, but keeping in mind Delhi's ever-rising air pollution, we need an alternative that tackles it. E-Rickshaw can be the best alternative to petrol and diesel run vehicles that cause severe pollution. Also, e-rickshaws have given the means of livelihood to over 50 thousand people in Delhi. Every day lakhs of people choose an e-rickshaw as an affordable and convenient ride.**
